== Recap Status ==

Hey Lovelies. I don't have the greatest news... I have close family in the hospital and going into some really dangerous surgery. This means I'll probably be pretty scarce over the next couple days. I'll do my best to keep up with the recaps, they may help me stay distracted depending on how things go... but please bare with me if they don't happen. I hope you all stay safe out there. Take care <3

== Vico Ortiz ==

Vico shared some wonderful words and pictures from their PublicAssembly work!

"I've had the absolute pleasure to act, write, co-curate and direct for [@thepublicassembly](#) since 2018.

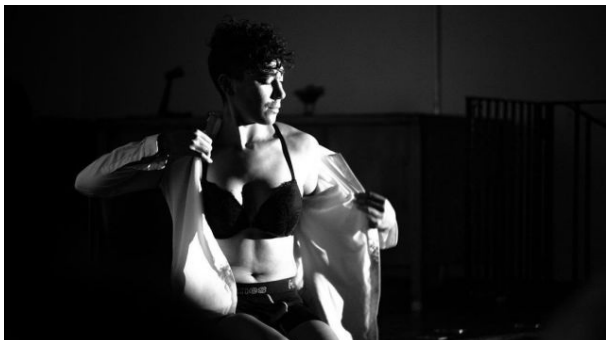

I'm currently developing a short film and writing a one person show because I have gained the confidence as a story teller through their theatre/workshop program.

Every month we develop 3 brand new pieces based on the audiences prompt the month prior and while the process of writing a 12min play can be overwhelming, being held, witnessed, encouraged (and hold, witness and encourage) these wonderful artists has been an amazing experience of championing all of our journeys as story tellers!

This coming month we are throwing a fundraiser to get us to the next level. Check out my linktree for tix! It's gonna be a sexy-awesome-artistically arousing- thought provoking evening of theatre ♥️🎭♥️🎭

Look forward to seeing you there!" - Vico

Some very kind works from [@adoptourcrew](#) <3

As we approach the first anniversary of Season 2 of *Our Flag Means Death*, we couldn't be more excited to celebrate with you. While we of course wish that we were celebrating against the backdrop of a renewal and in anticipation of Season 3, we are choosing to focus on the incredible gifts that this show has given us.

Whether you've been here since the beginning or are more a recent addition to the crew, you belong here.

As we've said many times before, a love like ours can't disappear in an instant. Change doesn't happen overnight. We will never give up hope that our favorite pirates will someday return to us and in the meantime, we continue to believe that the best way to show our love for the show is to be loud and be proud.

So hoist your sails and get ready to join us for a walk down memory lane as we celebrate the show, the cast, and the crew that have given us all so much to be thankful for.

adoptourcrew We're so excited to celebrate the first anniversary of #OurFlagMeansDeath S2 with you but we also recognize just how bittersweet a celebration this is.

But rather than dwell on what might have been, we choose joy.

We can't wait to celebrate #OFMDRewind together...as a crew
