Fancy a [#WeeJohnWednesday](#)?! I'll be going live at 9pm BST TOMORROW on Instagram 🗨️ The usual chaos guaranteed, plus chatting about the book, conventions, signings and more. See you tomorrow! X

A huge thank you to [@adoptourcrew](#) for getting us the Kristian Nairn OFMD blurb from the latest Popverse Article (it is behind a sign up, but [here's the article!](#))

@adoptourcrew

“It's down to the fans, I think. And they're doing exactly the right thing.”

[@KristianNairn](#) sat down with [@PopverseSays](#) to chat about his book and this part about the future of [#OFMD](#) had us 🥹.

We'll always have hope and that's why we'll continue to yap about the show and crew!

Before we move on from Our Flag Means Death; what do you think it would take to get a third season?

It's down to the fans, I think. And they're doing exactly the right thing. Every time I go to a convention or an online thing, it just seems to be still growing. People are still showing the show to other people. It's getting bigger and bigger.

I'm always 100% careful not to give any false hope, because I really don't have any. That's the truth; I don't have any information. As a totally off-record thing, while being on record, (that's the most Irish thing I've ever said), I could see it happening.

I would pack my case tomorrow and then be back to Auckland [EDITOR'S NOTE - Auckland is where OFMD filmed]. You know, I initially didn't enjoy my time in Auckland. I felt very isolated because it was so far away from home, but like by three weeks, I had fallen in love with Auckland and I would go back tomorrow. New Zealand is just, yeah, you need to visit if you haven't been. It's a wonderful place.

== Linds Cantrell ==

Linds Cantrell did an Ask Me Anything on Instagram today while she was waiting for a plane! She answered several questions, including something regarding OFMD BTS which may be completely out, but she'll be going to LA Comic Con in October! I'm planning on making a post with all her answers when I get a moment, but here's a few!

Ask me anything!

Type something...

**Getting to the airport EARLY
in the AM & have some time
before diving into #bts.
Trying one of these-**

Ask me anything!

Any unreleased OFMD BTS?
🤔 📺

Knew this was coming 😊 not sure what I haven't shared yet BUT for those going to LA Comic Con this year in October, you might see a familiar face! (Or hand! 🙌)

Will share about that more soon.

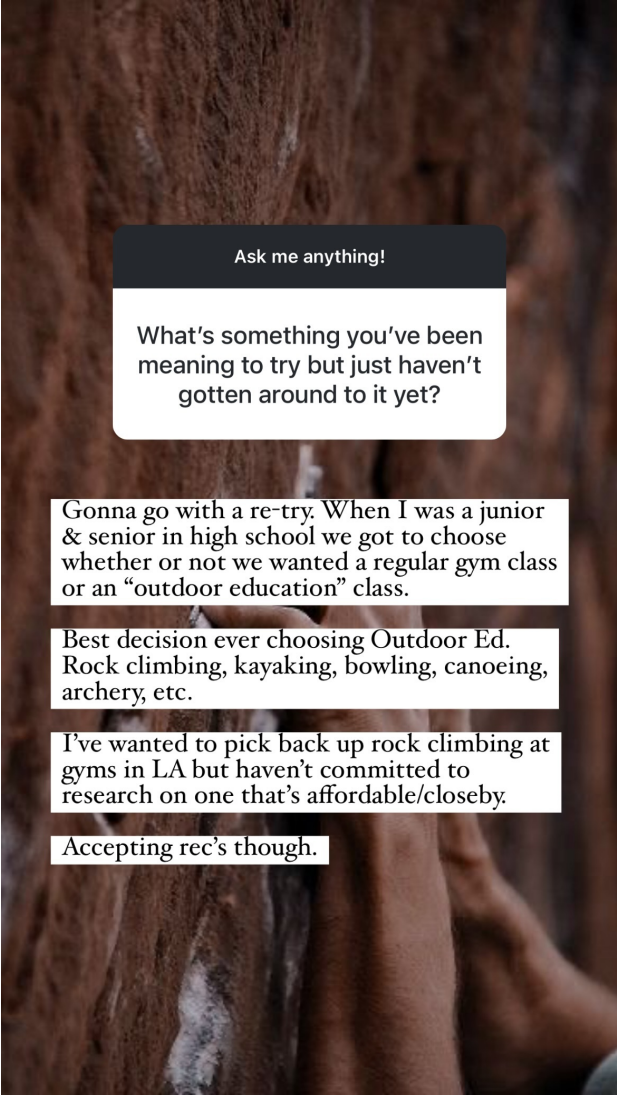

However, I am planning on doing another round for you crazy kids in October as well—in case anyone wants some shots still left on my phone. Doing a purge. 🍷

Ask me anything!

What's a special show you've worked on

I think this answer will always be my first show + whatever last show I worked on. I get sentimental at wrap & always try to think of what I've learned from it. So now the answer is Only Murders In The Building! I worked with Steve Martin on my first ever gig, so this show earlier this year, even for just one episode, was a real special full circle moment for me.

Ask me anything!

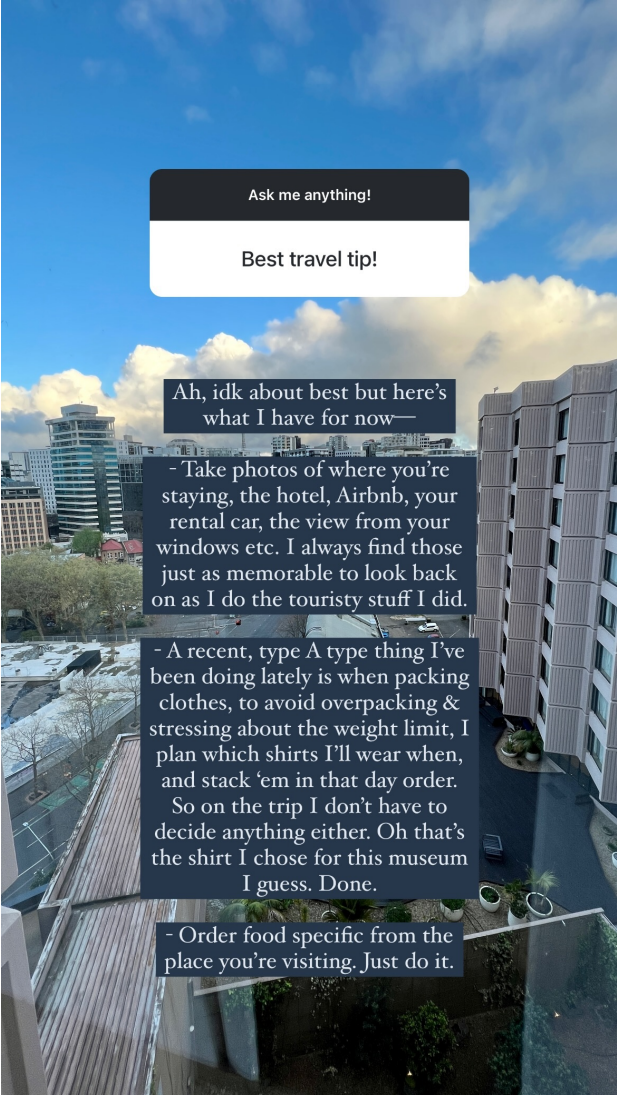

What's something you've been meaning to try but just haven't gotten around to it yet?

Gonna go with a re-try. When I was a junior & senior in high school we got to choose whether or not we wanted a regular gym class or an "outdoor education" class.

Best decision ever choosing Outdoor Ed. Rock climbing, kayaking, bowling, canoeing, archery, etc.

I've wanted to pick back up rock climbing at gyms in LA but haven't committed to research on one that's affordable/closeby.

Accepting rec's though.

Ask me anything!

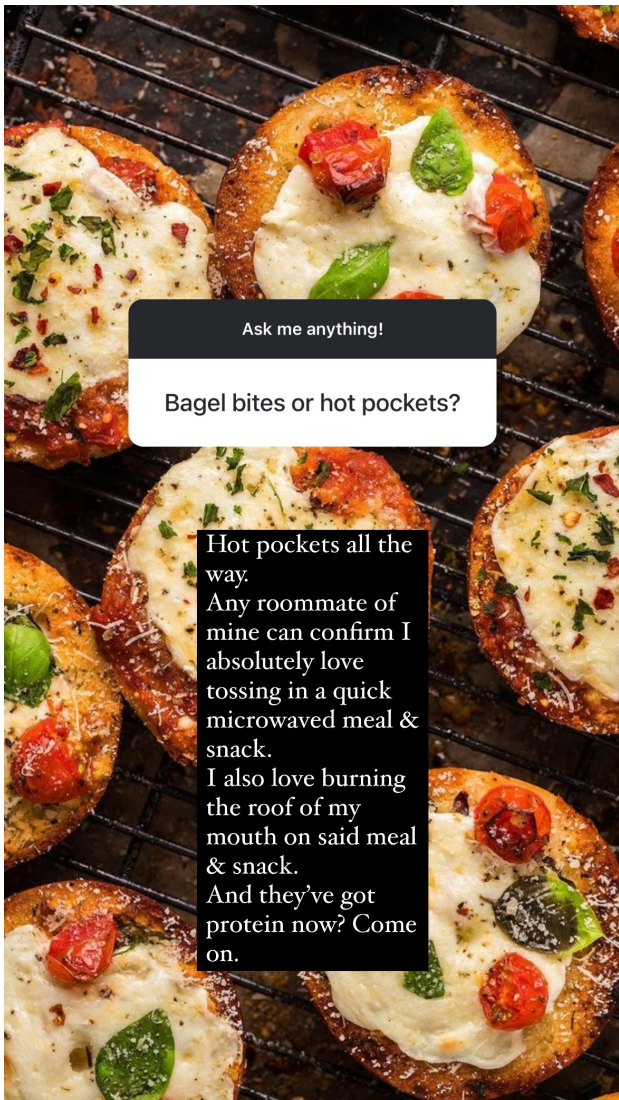

Best travel tip!

Ah, idk about best but here's what I have for now—

- Take photos of where you're staying, the hotel, Airbnb, your rental car, the view from your windows etc. I always find those just as memorable to look back on as I do the touristy stuff I did.

- A recent, type A type thing I've been doing lately is when packing clothes, to avoid overpacking & stressing about the weight limit, I plan which shirts I'll wear when, and stack 'em in that day order. So on the trip I don't have to decide anything either. Oh that's the shirt I chose for this museum I guess. Done.

- Order food specific from the place you're visiting. Just do it.

Ask me anything!

Bagel bites or hot pockets?

Hot pockets all the way.
Any roommate of mine can confirm I absolutely love tossing in a quick microwaved meal & snack.
I also love burning the roof of my mouth on said meal & snack.
And they've got protein now? Come on.

Oo got me in my feelings
thinking of an answer here.

I miss the people. I miss the
seasons a lot. I miss driving my
car around to all my familiar
spots. I miss taking the train a
lot too. I miss the friends I
made at my first college.
(you included)

I miss the energy in the air &
what life was like with my
grandma still living.

Ask me anything!

Whats something you miss
about IL?

Ask me anything!

What's your favorite movie?

Little Miss Sunshine!

== Love Notes ==

Hey lovelies. Hoping your week is progressing in an upward direction. I hopefully get to finally talk to my dad tomorrow after over a week of everything going on, so I'll be in and out of things again.

I know everyone is dealing with their own level of craziness right now, and I want to remind you that you're doing great no matter what you're dealing with. It could be little, it could be huge, it could be life-changing, or could be making you regress further back than you'd like-- whatever it is, you are getting through the best way you can, and you never have to feel bad about that.

I know it can feel like there's never an end to the chaos-- but remember that there are pockets of joy and love there in this life too, and however you need to cope with your daily struggles, don't feel bad in taking solace in that. Enjoy the little things, no matter how small.

Rest up lovelies, breathe in, breathe out, drink some water, and keep going. Below is a very appropriate love note (for me personally but for so many others as well), courtesy of the amazing The Latest Kate. Not everything is clear right now, but it'll get there, just stay with us, and don't give up. Sending you so much love, crew <3
