Is that our friend Adam Stein perhaps? A producer/writer/actor in Our Flag Means Death that David is meeting with???? I think it may be. David just happens to be posting pictures with some "old friends" hm? ☒☒

And as you can imagine-- that has triggered QUITE the Honk fest.

== Love Notes ==

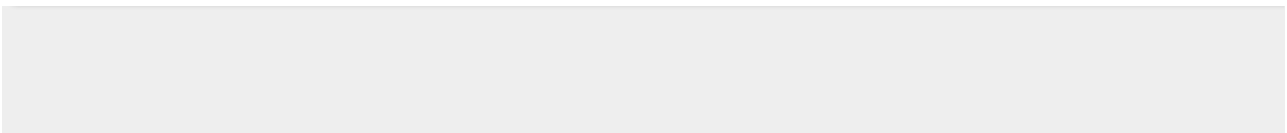

Hey there lovelies. Gosh, it's been a long week. I'm so sorry it's taking so long for me to catch up on things. Things continue to be chaotic here, and I wish I was out there honking with you. You all have been doing such a great job, and I hope that you're getting some of the fun energy going around.

This is a quick one tonight since I'm so behind, but I want you to know I'm thinking of you, and wanted to remind you to take some time for yourself. A dear friend reminded me of this today (and so many of you have lately, sorry I forget to respond to messages) and it really is important. Some people spend their whole day taking care of others, and it's easy to forget to take care of yourself. Please go take a shower, drink some water, eat something good, and just spend some time doing something you love.

Be well lovelies, take care of yourselves <3
