Adopt Our Crew | #AdoptOurCrew @adoptourcrew · 23h
Jim being the one to say life on the Revenge was about joy and family and living just to live is beautiful character growth and Archie just had to kiss them about it! (I wish that was me) #OurFlagMeansDeath

Sorry I got distracted by the absolute master class in acting. Con & Taika grounding the show in realism is utterly devastating. The depth they give Ed & Izzy's relationship & individual personalities? Incredible!
