== Belated Birthday for Nat Torres! ==

One of our beloved writers, Nat Torres, had their birthday on the 3rd, and I THOUGHT I put it in the last recap and I did not, so my apologies dear! Hope it was fantastic and you had a lovely time!

thank you for the bday
wishes u will all have
fruitful octobers 🤝👁️

== Vico Ortiz ==

New Momentus Event coming Oct 19, 10 AM PT / 1 PM ET! This time with Vico!

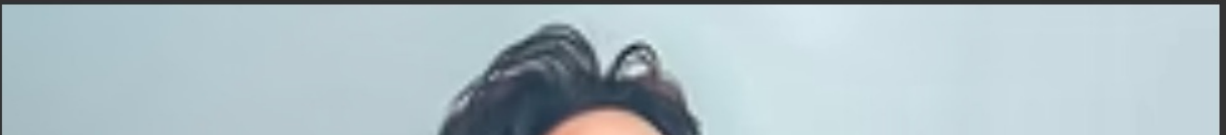

Ladies & gentlethems! Welcome to the next exciting event with actor and drag king Vico Ortiz!

Are you ready to explore and celebrate all of who you are? Do you want to dive deeper into finding yourself through storytelling and drag? Are you gagging for more drag content in your life? Well, this is your chance to get the T on drag culture, expression, and creativity.

EVENT DATE: OCTOBER 19
EVENT TIME: 10AM PT/1PM ET
EVENT LOCATION: ONLINE

Vico will share their experience, expertise, and enthusiasm for the drag scene. From common phrases to the practices to all the realness you could ask for.

YOUR CO-HOST: SAM MAGGS

This event will be hosted by Sam Maggs, an on-air host and NYT best-selling author of books, comics and video games. Sam has appeared in the *New York Times*, *Publisher's Weekly*, *Vulture*, *NPR*, *Syfy*, *The Verge*, *Teen Vogue*, *Marie Claire*, *PC Gamer*, *The Guardian*, and *Entertainment Weekly*. You can regularly find her moderating and speaking on panels at conventions worldwide, with a particular emphasis on equality and equity as well as fandom culture.

This workshop is for literally anyone, Kings, Queens, In-Betweens, whatever, whomever! Drag is for everyone <3

The Transformational Love Award: *Our Flag Means Death* (HBO Max)

In 1717, wealthy landowner Stede Bonnet's midlife crisis took the form of buying a sloop, naming it "Revenge," and abandoning his wife and family to become a pirate. Bonnet was an unorthodox (and not very good) pirate but still formed a close connection with the infamous Blackbeard, sometimes sharing a command, sometimes stealing from each other.

In *Our Flag Means Death*, David Jenkins wove these facts into a rom-com with heart (and some violence) that upends pirate tropes. The only one saying "arr" is Bonnet, whose understanding of his newly chosen lifestyle is based on storybooks.

Blackbeard (Taika Waititi, also the director) is clad in all black leather, consciously choosing a look to support his reputation as a terrifying pirate, a "job" he's starting to find tedious. In other words, Blackbeard is facing his own midlife crisis. After a meet-cute that includes a stabbing, he and Bonnet (Rhys Darby) develop a romance and find in each other the support to question their current life paths and the freedom to try new ways of being.

Blackbeard and Bonnet are not the only ones to undergo transformation during the series. Every member of the crew has a chance to shine. Gruff exteriors are exposed as self-protective armor. Characters who were hiding secrets are challenged to reveal themselves. Those who were overlooked or bullied end up blossoming when someone believes in them.

Our Flag Means Death has been praised for its radical approach to LGBT+ representation, namely that queerness permeates nearly every storyline while simultaneously being treated as no big deal. The show also has an ethnically diverse cast, and a writers room including multiple nonbinary writers of color.

Let this witty, moving, sometimes-beautiful, and sometimes-bloody adventure series restore your battle-weary heart. — **Cianna Stewart**
