October 10th was Vico's birthday! So many people put out lovely dedications to our wonderful Jim! Chaos Dad was no different!

The image shows a screenshot of a Twitter post. At the top, the profile of David Jenkins (@david_jenkins_) is visible. The tweet text reads: "Happy birthday to the King". Below this is a video collage from Lucy (@bUtterscUp95) dated Oct 10. October 11th, 2024 is ANOTHER OFMD Birthday! This time-- Our dear Swede!! Happy Birthday Nat Faxon!

== OFMD Cast & Crew Birthdays ==

Hey crew, completely random but someone was asking me if there was a calendar for all the birthdays going on-- and I don't know of one so I put one together on the Repo. I'm still filling it out, but it has a chunk of the main cast in there. Hopefully I'll have as many as I can find done by early next week. If you know of some you don't see feel free to ping me, I'm always happy for help!

HELIUM PRESENTS: RHYS DARBY

Rhys Darby is an actor, writer, podcaster and stand-up comedian from New Zealand.

Darby first captured US audiences as Murray, the loveable, but ultimately inept manager in HBO's *Flight of the Conchords*. He has gone on to star in a plethora of TV and film roles, from *Yes Man* and *Pirate Radio* (*The Boat that Rocked*) to Nigel in the *Jumanji* reboots. On the small screen he has brought his talents to animations like *Voltron: Legendary Defender* and *Teenage Mutant Ninja Turtles*, and shows like TBS' *Wrecked*, *The X-Files* and *Lemony Snicket*. Most recently he starred as the gentleman pirate, *Stede Bonnet* in *Our Flag Means Death*.

Darby is never far from his stand-up roots. His stand-up has been described as a sensational blend of sound effects, characterizations and askew observations. Rhys has five stand-up specials, *Imagine That!* (2008), *It's Rhys Darby Night!* (2011) and *This Way to Spaceship*, (2012) and *I'm a Fighter Jet* (2017) and *Mystic Time Bird* (2021). *This Way to Spaceship* was based on his debut novel of the same name, "A loosely autobiographical end of world companion" in 2012. It was number 1 in the international charts for 7 weeks. Darby's second book, this time for kids, was released in Australia and New Zealand in October 2018. It is called *The Top Secret Notes of Buttons McGinty*. Darby wrote it for his then 8-year-old son, a reluctant reader, and has been thrilled to hear from kids and parents that they love it! He went on to release another two *Buttons* books, which thrilled his legions of junior fans.

Rhys' love of the weird is seen in his stand-up and writing, and for ten years he has had first a radio show, then a podcast on cryptozoology, *The Cryptid Factor*. Darby was thrilled when approached by Spotify to do a podcast about aliens, *Allens like Us*. A regular attendee of alien conferences and stargazer, it was a dream come true. A prolific voice-over artist, kids all over the world hear him in *Voltron: Legendary Defender*, *Spirit*, *TMNT*, *Boss Baby*, *Jake and the Neverland Pirates* and many more. He also lends his voice to animated films like *Trolls*, *Teen Titans Go!*, *100% Wolf* and *Mosley*. Darby is excited to lend his voice to the upcoming film *That Christmas* and the classic story, *Badjelly the Witch*.

In between his huge adventures Darby is based in Los Angeles with his family where they like to hike, eat tacos and explore the world. You can follow Rhys' life, [Facebook.com/rhysdarby](https://www.facebook.com/rhysdarby) or Instagram [@rhysdarby](https://www.instagram.com/rhysdarby).

Our friends over at [@adoptourcrew](#) made a lovely post for National Coming Out Day, and Chaos Dad shared it with love <3

David also posted this picture on his instagram with the phrase "Guys This Is Important". Which as you can well imagine, triggered some HONKING.

He did however want us to go into the weekend not honking TOO hard and clarified on Twitter a bit later.

== Love Notes ==

Hey there lovelies-- wow, the last fews days have had so much happen!

First off -- Mental Health Awareness Day was Oct 10, and National Coming Out Day was Oct 11! Our sweet Damien Gerard gave us a beautiful message for Mental Health Awareness Day and I wanted to share it tonight for those who didn't see it, since it really made me tear up.

I did want to mention though lovelies before we get there-- whether you're in the closet, or out and proud-- or not even sure who you are yet. Just know that you're valid, and beautiful, and the world is such a better place because you're in it. I hope you have a safe and wonderful weekend, sending so much love your way.
