TLDR; David Jenkins; Rhys Darby; Taika Waititi; Samba Schutte; Ruibo Qian; Vico Ortiz; Nat Torres; Lindsey Cantrell; Minnie Driver; And Now for Something Completely Different; Articles; Love Notes;

Sorry lovelies, I'm so very behind right now. I have so much I am trying to catch up on at home and work, and with all the moving parts going around, it's taking a lot to catch up. For 11/12 Ive got a lot more news since people have moved from twitter to bluesky and there's a lot going on. Will try to get that done tonight too if I can. Take care <3

Chaos Dad started his Bluesky career off strong!

A screenshot of a Bluesky post by David Jenkins. The post features a circular profile picture of a man with glasses and a dark jacket. The text of the post reads: "Let's talk it through". Below the text, it says "November 8, 2024 at 11:03 AM" followed by a public icon and the text "Everybody can reply".

= And Now For Something Completely Different =

Just a random "somewhat" related real life incident to OFMD that seemed cool. They found a message in a bottle in the walls of a lighthouse in Scotland! Thanks teeheeseason3 on twitter for sharing it!
