= Darby Daily Doodles! =

I'm so behind on sharing the Darby Daily Doodles! Here's a pile for you since there's image room today!

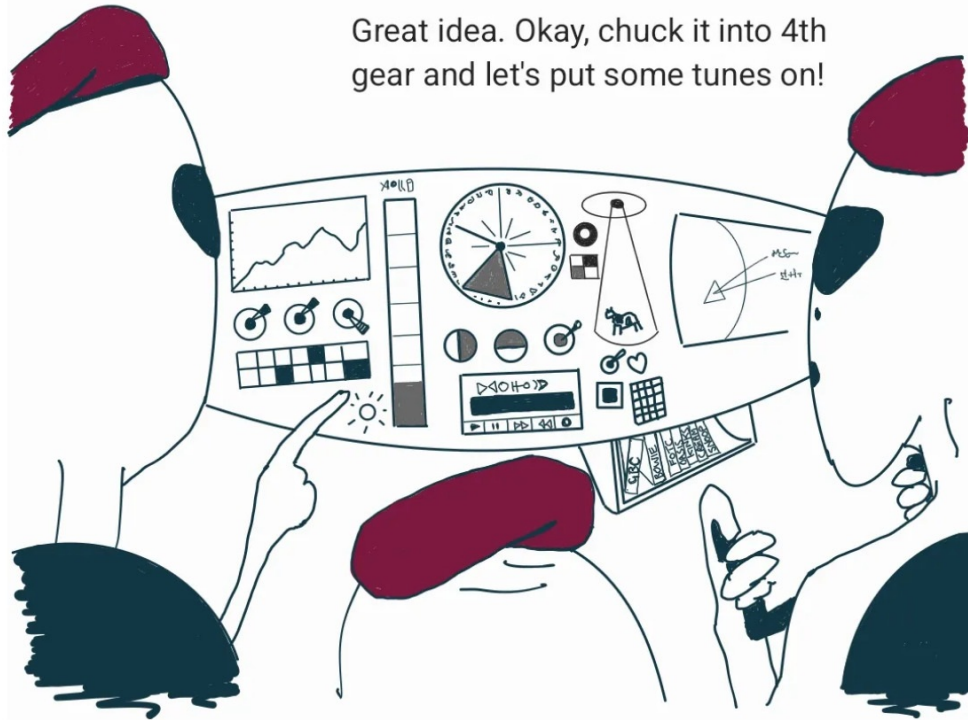

Meanwhile, the aliens-on-a-mission are nearing the planet Earth..

Look at our battery level.

We're not gonna make it back to the moon base.

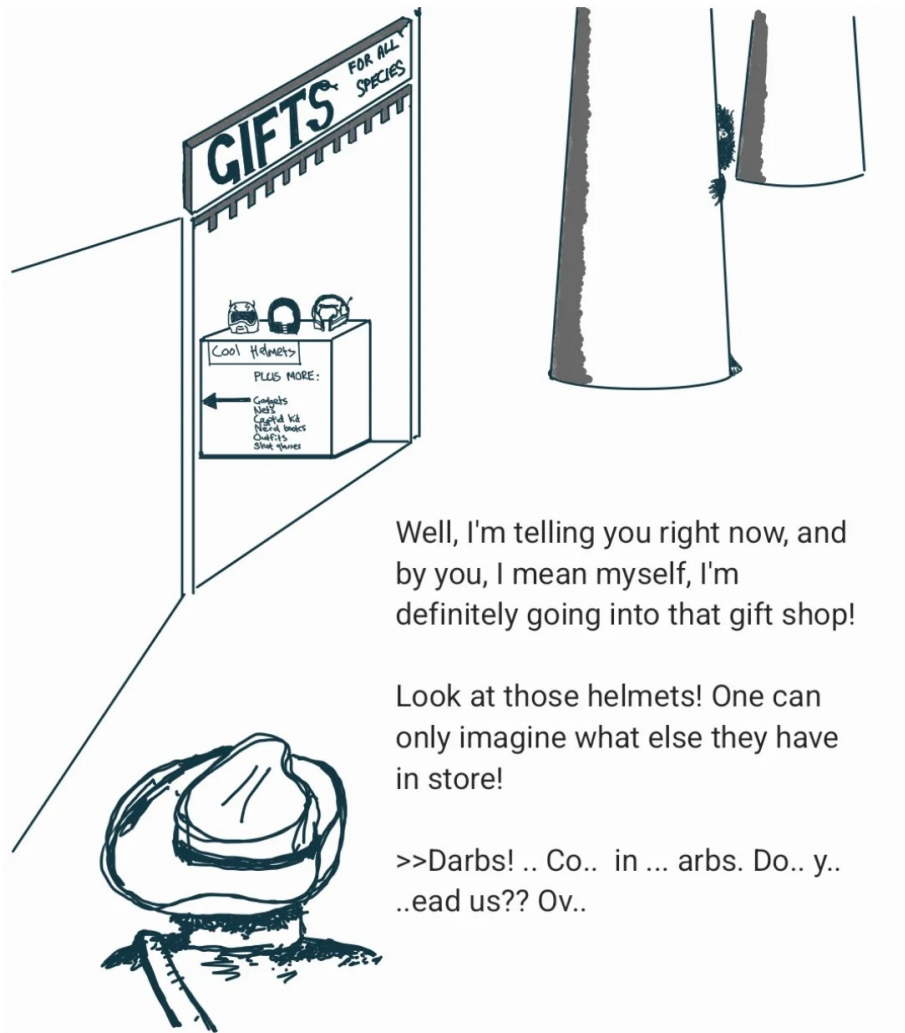

Yeah, there's a recharging temple one dimension over. Let's cross over and stop there first.

Great idea. Okay, chuck it into 4th gear and let's put some tunes on!

>Darbs!... Co.. in... arbs. Do.. ...read us?? Ov.. There is a dark figure watching on from behind two pillars">

Rhys goes deeper into the strange Temple, so far without incident..

Well, I'm telling you right now, and by you, I mean myself, I'm definitely going into that gift shop!

Look at those helmets! One can only imagine what else they have in store!

>>Darbs! .. Co.. in ... arbs. Do.. y.. ..ead us?? Ov..

Who saw this coming?

>>Darbs! Do NOT enter the Gift Shop!

>>Do you read me?! Over..

>>Darbs??? It's a trap!

📢 ALERT ⚠️ ALERT ⚠️ (in Alien)  
ATTENTION ALL PERSONNEL  
Trap 271 has been activated.

Well... the good news is I'm in Indianapolis!

I'm excited to see who turns up at The Helium Comedy Club tomorrow night.

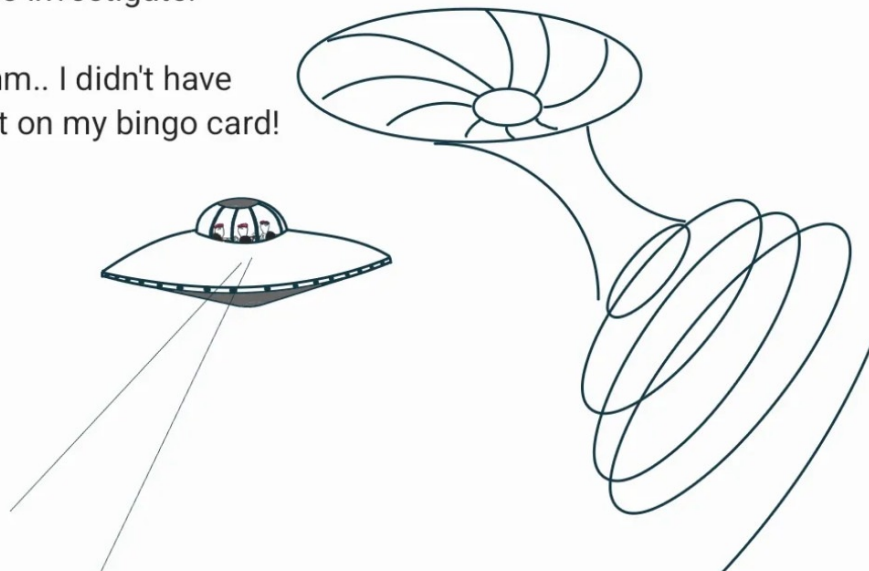

Well this is convenient! That massive signal coming from Earth has created a worm hole! We can travel through it to get to the next dimension.

📢 ALERT ⚠️ ALERT ⚠️ (in Alien)  
ATTENTION ALL PERSONNEL  
Trap 271 has been activated.

Oh heck! Some trap has sprung in the recharging station I had mapped out!

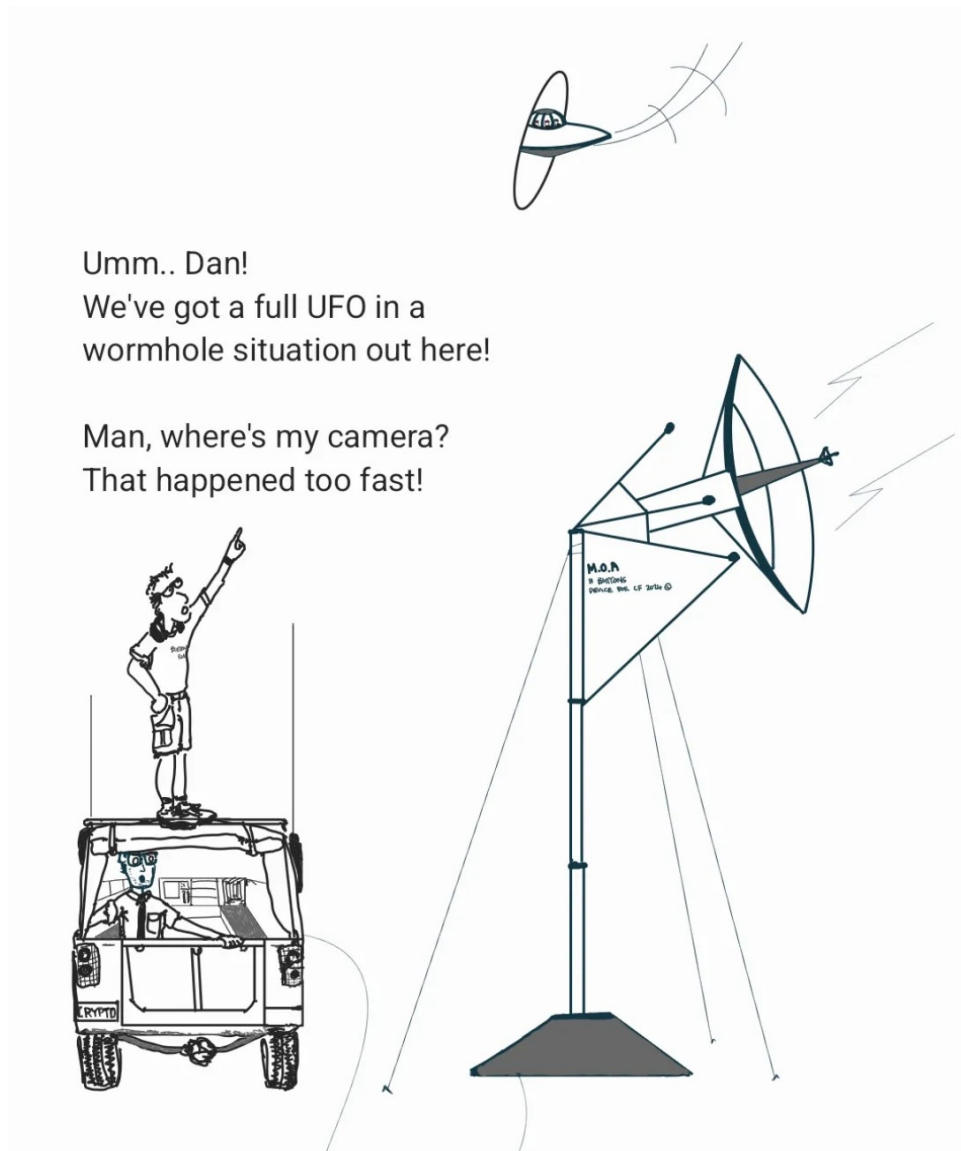

Let's investigate.

Hmm.. I didn't have that on my bingo card!

With things heating up, Buttons suspicions were correct about a wormhole but even he didn't predict it would attract a flying saucer!

Umm.. Dan!  
We've got a full UFO in a  
wormhole situation out here!

Man, where's my camera?  
That happened too fast!

## == Love Notes ==

Hey there lovelies. I hope the weekend has been treating you well and you've gotten some good rest. We've got some holidays coming up soon-- do you get to take any time off?

I hope you know that you are loveable no matter where you are in life. I hope you know that you are worthy of that love no matter where you are, no matter what you've done, and now matter how little or how much you've accomplished. A lot of people in this world want you to believe you are only worth something if you are making money, or gaining status, but you are worth so much just being your goofy, wonderful self.

Please take care of yourselves this week lovelies. Rest well <3
