The bananas were hanging from the canopy and threw off the centre of gravity haha

That was like the day of shoot I think

Happy Thanksgiving! (sorry I'm on Europe time 😅)
And ooh, are you still taking requests? I'd love any bts of Rhys and Taika hanging out 😊
Or Madeleine! I'm not fussy 😊

@ringasunn

Do you happen to have any bts pics from Izzy's room? We only see it briefly in ep 4, but I'd love any details of it!

Main cast: standing by in character ignoring me taking a photo.

Vs

Background actors: specifically posing in character for me to take their photo. 🏴‍☠️

discussion about moving it or raising it or wtf to do with it bc they wanted to block the actors in the corner but didn't want dripping hot wax to fall. I knew they were the types to not stand in place during a scene where Taika wanted to use his hands a lot so we ended up not lighting them at all & they swore we wouldn't be able to tell in the show. Just want to say — it's not lit. I can tell.

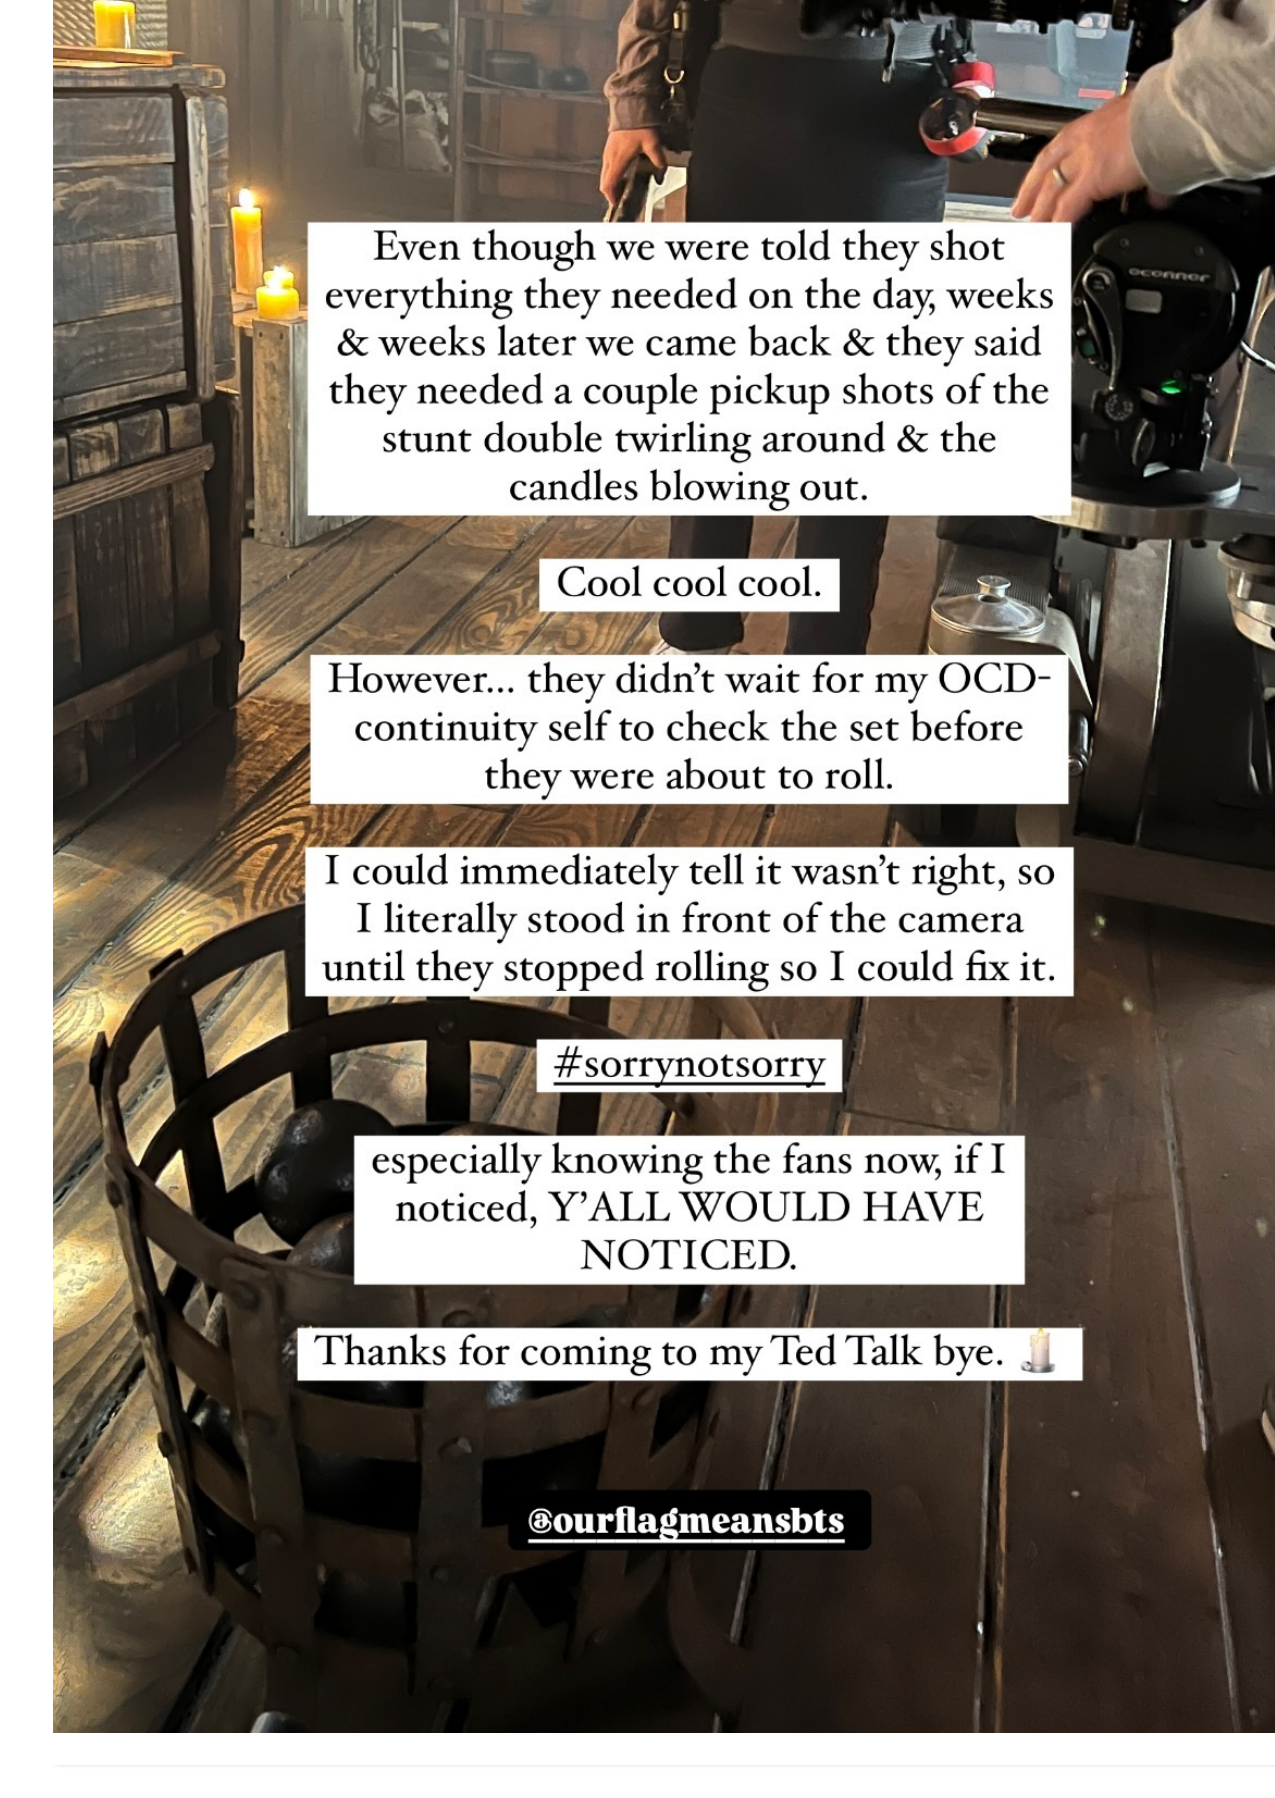

And I KNOW you remember this scene→

@ourflagmeansbts

Even though we were told they shot everything they needed on the day, weeks & weeks later we came back & they said they needed a couple pickup shots of the stunt double twirling around & the candles blowing out.

Cool cool cool.

However... they didn't wait for my OCD-continuity self to check the set before they were about to roll.

I could immediately tell it wasn't right, so I literally stood in front of the camera until they stopped rolling so I could fix it.

#sorrynotsorry

especially knowing the fans now, if I noticed, Y'ALL WOULD HAVE NOTICED.

Thanks for coming to my Ted Talk bye. 🕯️
