I am very behind because I'm back to being sick with whatever is causing this stomach pain! Since I wanted to be caught up on the recaps for the anniversary of the cancellation (JUST IN CASE)... I may leave some stuff out and catch up on them later.

= Happy Birthday Ruibo (1/1)! =

Our friends over at Never Left Podcast pointed out that David did a similar picture back in 2024 before the first cancellation announcement...

And our dear [@adoptourcrew](#) pointed out the lyrics on the instagram post were also appropriate...

well aren't these some INTERESTING lyrics 🤔

Bless the Telephone

Song by Labi Siffre

Overview Other recordings Listen Lyrics

It's nice to hear your voice again
I've waited all day long
Even wrote a song for you
It's strange, the way you make me feel
With just a word or two
I'd like to do the same for you

It's nice to hear you say "hello"
And "how are things with you?"
I love you"
But very soon it's time to go
An office job to do
While I'm here writing songs for you

Strange
How a phone call can change your day
Take you away
Away
From the feeling of being alone
Bless the telephone

It's nice, the way you say my name
Not very fast or slow, just soft and low
The same as when you tell me how you feel
I feel the same way, too
I'm very much in love with you

I'm very much in love with you
