TLDR; OFMD Cancellation Anniversary; David Jenkins; Rhys Darby; Con O'Neill; Vico Ortiz; Samba Schutte; Kristen Johnston; Andy Rydzewski ; Additional Cast & Crew in LA Status; LA Fire Resources; Charity Raffle!; Love Notes;

Hey Crew sorry I'm behind again. With the fires happening my job is very busy and I'm a bit exhausted. Will try to catch up as much as I can tonight!

== OFMD Cancellation Anniversary ==

January 9th was the 1 year cancellation anniversary of our first cancellation of Season 3. So many of you folks shared some wonderful feelings and memories you had that day and since that day. It was an anniversary full of melancholy, but it was also lovely to see how much people got out of the fandom since then.

Our friends over at [@adoptourcrew](#) also sent out some prompts to help us reflect about OFMD an what it means to us! Did you get a chance to share your thoughts?

We were devastated last year when [@david-jenkins.bsky.social](#) shared the cancellation news. But here we still are...building community, creating fanworks, and loving on our show.

There are SO many reasons why we'd like someone to [#AdoptOurCrew](#). Tell us why YOU think [#OurFlagMeansDeath](#) should be saved!

If the past year has taught us anything, it's that the #OFMD fandom is here to stay. It really is about belonging to something.

Whether a virtual or in-person event, creating art, writing fic, yapping about the show, or boosting others - what's something OFMD-related that you're looking forward to?

hey crew! i know there's a LOT going on right now, but dj shared this gofundme to help his friends who lost their home in the eaton fire. as of right now they're still under 50% of their goal. i think sharing the link is the least we can do, especially today. ❤️

dvidjenkins Like many, my lovely friend Carolyn lost everything in the Altadena fire. If you're looking to support a good person in a time of need, she's a great option. It's hard to see someone lose their home like this. Jamie and Carolyn need our help to rebuild after the Eaton Fire. (Link here and in bio)

Lindsey Cantrell - Safe so far

== LA Fire Resources ==

A lot of the cast & crew have been sharing LA Fire Resources on Instagram and Lindsey's been really active so I wanted to share something that I didn't realize (and I'm in the disaster aid sector for work!). I wasn't able to find the article she mentioned, but I did find a similar one more recently which I'll attach as well:

**TO THOSE WHO SET UP A
GOFUNDME—**

**(I can't find the link I saw late last night)
BUT, I read how important your wording
is on your page when it comes to
insurance—**

**Make sure you have it written something
like “to help rebuild our LIVES”**

**Not so specific like “to help fund a new
house”**

**Because insurance companies will try to
screw you on the wording and adjust
your claim as such, thinking you've
already got money coming in.**

**Cannot imagine what you're going
through, but please make sure you get as
much help as you can & not have the
wording mess things up down the line.**

**I'll try to find that article again,
otherwise please share around—**

@crewstoriesig #loveyoucrew 

In Addition, I've been trying to compile some feeds on blusky for when I see cast & crew share information (and I make sure to vet it) when it comes to where to donate or community resources. [LA Fires, Where To DonateLA Fires, Resources](#) Something to keep in mind, for those trying to help, donation needs change on the daily, so if you're really looking to help certain groups (Ex: Pasadena Humane Society) be sure to follow their socials as they'll be the most up to date with what their needs are.

Thank you to all the awesome people who have been sharing ofmdbz, [@summerliness](#), and everyone who's tagged those feeds <3

= Charity Raffle =

Our fabulous crewmate Irene Adler has put together this Charity Raffle to help support people affected by the LA Fires! Check out below how to enter and make a difference!

_irene_adler I had planned to start this charity raffle later in the year, but L.A. is on fire. So let's DO THIS! I will draw winners on Feb 28th. First prize up is a locket made by me that contains a shard of glass from one of the actual Revenge lanterns! These lockets have never been sold - I have only gifted them to cast, crew, and close friends. You will not be able to buy one at any price, so if you want to keep a piece of the actual set with you forever, here's your chance.

If our donations reach \$2500 I will throw in a second prize of a signed cast picture of Con, Vico, Rhys, Kristian, and Nathan! If we reach \$5000 I'll add one of Con's famous Goorin Bros "BUTCH" caps - signed by the man himself.

And if we reach higher stretch goals there will be other very cool prizes added.

Raffle entries are your completed donation to a vetted Go Fund Me campaign - either for the #ourflagmeansdeath DP who lost his home, or one of the local ones listed on Go Fund Me's Wildfire Relief fund. \$10 per entry - if you want to donate more, you'll get an entry for every \$10 donated. I will have links in my stories and below. You must email me a screenshot of your donation with amount and date visible, and let me know your social handle if you'd like. Email to: OFMDonate@gmail.com Please help L.A. recover from these devastating, still burning fires. #OFMDonate
