A very important message for you all ❤️
I know too well how hard it is to really believe this.
And how your mind tricks you into thinking that you are worthless.
Good news! It's not true, not even for a second.
Ohh this one should be my personal mantra 😭

Rhys was on the Concert For America fundraiser show! He helped raise quite a bit just by being there. Thank you to the crew that donated to support him and the victims of the LA Fires!

== Love Notes ==

Hey lovelies. This week has been hell. I know it has. I hope you know though that for every asshole out there who is unkind to you or wants to take away your rights-- you have a hell of a lot more of

us who love you dearly and recognize the beauty and the wonder in you.

I know it's easy to fall into despair.. and it's good to feel the feelings to help heal them, but don't fall too far down the rabbit hole okay?

You are loved. Period.

You are worthy of love. Period.

You are valid. Period.

Shine brighter than their hate.

Shine brighter than their ignorance.

You are a force to be reckoned with.

Be safe, and reach out when you are in trouble or unsure.

There is no shame in getting help-- and most of all, there is no shame in being you, okay?

None.

We will persevere. Love you crew.
