== Love Notes ==

Hey there lovelies. We're coming up on a new week here soon. I know the past few have been doozies. Something I wanted to remind you of tonight... is just how fucking powerful you are.

You continue to get through every goddamn day like a fucking champ. Whether you are crying or sleeping or busting ass, you are still here and I am so damn proud of you.

You mean something. You matter, and you would be surprised how much you can survive when you have to.

So no matter what, you keep going, okay? If you need to take some time off, if you need to rest, or reach out for help-- do it, do what you need to do. If you feel unsafe, reach out, there are a lot of groups out there who can help.

We love you, we want you to be happy, and be yourself, and most of all we want you to be safe.

You are made of love, and kindness, and that is so much stronger than any hate thrown your way.

You are beautiful. Don't forget that.
