TLDR; David Jenkins; Rhys Darby; Samba Schutte; Kristian Nairn; Nicola Dove; Siren Events: Behind Our Flag; Love Notes;

Hey luvs, I know I'm super behind again-- I actually took a couple days off from work to catch up on all the stuff I have to get done around the house and online I'll do my best to be caught up over the next couple days! <3

= David Jenkins =

David's been keeping active over on bluesky and sending some love to our crewmate Danielle aka [dbsaveofmd.bsky.social](https://bsky.app/profile/dbsaveofmd.bsky.social)!

Don't be sad you have the coolest shirt 🥰🦄

dbsaveofmd (Danielle) 💜🦄 @dbsaveofmd.bsky.social

Feeling sad tonight & going through my pics in a sentimental mood. This was a GOOD day & Nathan Foad is a gift, so that's worth remembering 🥹 And he really liked my shirt 💜🦄

== Love Notes ==

It's been a while lovelies! Jeez! What a year it's been. I tell ya one of these days things are going to calm the heck down and things are going to get easier, they just have to.

Today I just wanted to remind you that tomorrow can be so scary when things are uncertain. We never know what's going to happen--- but that doesn't mean we have to always look to the future.
