Trying again with correct hashtags... Finally finished this beauty, from the #ofmdcraftfair pattern by @darcylindbergh.bsky.social. Now it's in my living room so every guest knows what they're getting (angry queer dorks who love pirates and fiber art). Dog bonus below! #ofmdfanart #ofmd

Happy very belated birthday to Damien's kitties! They've been keeping him company lately and giving so much very needed love!

**Damien Gerard** @damientgerard.bsky.social

Today is the second birthday of these two little ladies. I can't believe it's been two years already! ❤️

**Damien Gerard**

@damientgerard.bsky.social

These three have been my constant companions since my dad died. They know I'm sad and are trying to help. And they do help. Very much. Each day is full of ups and downs and it's crazy to think that my journey to the UK might be the last time I visit my childhood town where my parents lived.

## = Cohen Holloway =

I didn't see any advertisements but a kind person on some of the Neon NZ IG posts let me know when this hit Amazon Prime here in America! Dark City Cleaner, starring Pop-Pop, aka Cohen Holloway (You may also know him as Clifton from WWDITS 2014, and "The guy always fighting Rhys/Taika in various shows") is finally live in the US!

He's the lead in this show, Joe aka the Christchurch Carver, and as someone who enjoys dark humor and suspense, I have to say I was really impressed! I highly recommend it if you like dark kiwi-style humor, and don't mind listening to the inner

mind of a serial killer with just a hint of body horror.
