Remember this is going to be small when printed, so don't get too detailed or make your text tiny!

Make multi-page spreads on pages 2-3, 4-5, or 6-7!

Visuals are fun! Playing with words is fun! Activities are fun!

== Love Notes ==

Well hello there lovelies. I know this is for a May post but Happy Pride, everyone! I know I'm behind again, what's new? I hope everyone is staying safe, and being so very kind to themselves right now because as we all know the world is flooded with so much hate right now and so we've sometimes gotta be the ones to give ourselves the

kindness we deserve.

To anyone struggling right now, with life, the state of the world, personal issues, whatever, please remember how very strong you are. I know it sucks to continuously be strong, and certainly doesn't feel like you are. But you are. You've made it through every hard day so far, and you are still here, and we are so grateful for that. You can absolutely keep making it through-- don't just do it for us, do it for you ok? We love you crew.
