Hey lovelies. Wow, so many recaps in a couple of days, there's just so much going on. I would love some feedback when you have time -- I don't know if life will make it harder for me to do recaps for a while-- so I would love it if I could chat with a few of you that read regularly about some ideas I have regarding a discord server that might serve the same purpose. If you're interested in brainstorming with me, please feel free to DM me here or [@gentlebeardsbarngri!](#)

Sorry for taking up a bit of the love notes for that! I saw this love note from TheLatestKate today and it made me think of you all. I know we're all trying really hard to fix all we can, but remember that it doesn't have to happen all at once. You'll get there.
