Happy very belated Father's Day to Pirate Dad!

David gave us a little bit of BTS regarding the Blackbeard introduction!

David Jenkins @david-jenkins.bsky.social

This was the first day we shot Taika as Blackbeard.

He still couldn't decide if he wanted to do a different voice or not. I suggested that it's funnier if his normal voice came out of a biker looking guy dressed like the Road Warrior

RHYS DARBY
JUN 13, 2025

It's Friday night, it's London, what more needs to be said? Let's get down to Darby's show and kick our evening off the best way possible! Everyone who's anyone will be down there tonight! All the Kings horses and all the Kings men, but will they be able to put their sanity back together again?

All of the Queens and the women of power (which is all of you) come on down to the Bush this fine evening!

I love this venue and it has served me well in the past.

It's the Mighty Shepherds Bush full of Kiwis and Aussies, let's go, let's go ruffle some feathers like we always do! The colonies unite and stand forth in our pride. It's Pride month too so let's love and let love and find kindness and inclusion. Let's escape for one night from the horrors in the news.

Drink up, my pretties, enjoy our freedom while we still have it and breath in deeply and cheer, God damn it.. please we need this night.
