== Love Notes ==

Hey lovelies! It's been a while! I realize this was not as thorough as I'd like it to be but I hope to get another one out soon if time allows. I don't know how helpful they are anymore, but I hope you enjoy.

I want you to know I've been thinking of you and rooting for you these past several months I've been off the radar without a computer screen. I miss this fandom so much, and even though I haven't been around, I've been sending so much love your way.

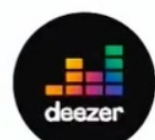

Please remember to be kind to yourself this time of year, this is the time for rest and recovery. Take care crew <3
